SERVICE POLICY

Consumer and/or Family Attendance at Conferences

Tri-Counties Regional Center places a high priority on the provision and/or facilitation of information and training services, and encourages consumers, parents, and other interested family members to attend, participate in, and present at conferences, workshops, and seminars. Tri-Counties Regional Center has developed and will expand an array of methods and opportunities to increase utilization of information and training services by consumers and their family members.

Tri-Counties Regional Center employees will support consumers and/or family members in obtaining scholarships and other opportunities for sponsorship for the conference fees, travel, hotel and per diem expenses for the consumers and family members who request such support.

Tri-Counties Regional Center will ensure that consumer and/or family member expenses for attendance at conferences are to be funded from regional center purchase of service funds only
