

creating a unique opportunity

FOR ADULTS WITH DEVELOPMENTAL DISABILITIES

*"June 23rd
grand opening"*

Fig at Courtney's House

Courtney's House, located in a beautiful victorian manse, is a nonprofit resource center for adults with developmental disabilities.

We are dedicated to providing a safe, supportive environment for both social and vocational activities.

Fig Good Food shares our vision - The opening of a cafe through our new partnership will allow us to offer a unique, community-based job training opportunity to the adults our program serves.
