

Autism Insurance Information Updates

The TCRC Autism Coordinator will be visiting your office to provide updates for families on the new law in California requiring private insurance plans to cover autism treatment. This time is set aside to answer questions and inform parents of how TCRC will work with families to help them access their insurance.

- Requests for Spanish translation must be received one week before the session.
- No childcare is available for these meetings.
- Please RSVP with your local Family Resource Center.
- **All sessions will be held from 6 -7:30 PM.**
